THE 27TH SUNDAY IN ORDINARY TIME

RESPECT LIFE SUNDAY AND MONTH
CHRIST OUR HOPE
IN EVERY SEASON OF LIFE

The Church teaches us that "the one who has hope lives differently." Christ's promise of salvation does not mean that we will be spared from suffering. Rather it ensures that even in the darkest moments of our lives, we will be given strength to persevere. By virtue of this Christian hope we can face any challenge or trial. Hope allows us to remain anchored in the heart of God.

*May we hold fast to Christ, our Hope,
from beginning of life to its very end.*

SEASON OF CREATION:

Energy - In times like these where almost any activity needs electricity, we have to look for ways to save energy. Electricity production from fossil fuels is the biggest source of greenhouse gases and, in Indiana, we get 89% of our electricity from coal and natural gas. Consider small actions one can take for saving energy.

Lord – every breath we take is evidence of Your loving mercy. Help our gratitude and love for You to be evident not just in the words we speak, but also in our care for the environment, and with life styles that can be easily sustained by an earth we share with others.

REFLECTION QUESTIONS

- Have you thanked those who have mentored you in your faith?
- Are you ever embarrassed to express your Christian beliefs? Why?

PRAYER Lord, I am grateful for your gentle voice of love. Help me to speak with love and peace everywhere I go.

WORLD MISSION SUNDAY

**A WORD FROM
POPE FRANCIS**

Perhaps you will be challenged by (our immigrants') diversity. But know that they also possess resources meant to be shared. So do not be afraid to welcome them. Offer them the warmth of the love of Christ....I am certain that, as so often in the past, these people will enrich America and its Church.

Take time to dream, it is hitching your soul to the stars.
Take time to work, it is the price of success.
Take time to think, it is the source of power.
Take time to play, it is the secret of perpetual youth.
Take time to read, it is the foundation of knowledge.
Take time for worship, it is the highway of reverence and washes the dust of the earth from your eyes.
Take time to be friendly, it is the road to happiness.
Take time to love and be loved, it is the sacrament of life.
Take time to laugh, it is the music of the soul.
Take time for beauty, it is everywhere in nature.
Take time to look around, it is too short a day to be selfish.
Take time for health, it is the true treasure of life.
